

Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Monday 04 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Heavy rain this evening, then windy and showery on Tuesday.

This Evening and Tonight:

Heavy rain will spread east this evening, giving localised flooding. Clearer skies and a few showers will follow overnight. Strong southerly winds for a time, with gales on some coasts, before winds turn north-westerly later in the night. Minimum temperature 8 deg C (46 deg F).

Tuesday:

Windy with strong to gale force north-westerly winds and a few showers. Some sunnier spells are likely, particularly during the afternoon, with winds easing later. It will feel cool. Maximum temperature 15 deg C (59 deg F).

Outlook for Wednesday to Friday:

Much less windy on Wednesday, sunshine at first, patchy rain possible later. Breezier and cloudier on Thursday, but mostly dry. Bright on Friday after morning fog has lifted. Feeling warmer.
